From the Shadows

*The Story of
Eliza Cash*

by Gillian Gregory

Book launch

Saturday 11 November | 2pm

What if staying with the man you love meant leaving everything behind?

There is little joy for Eliza, the well-educated wife of a dissolute cavalry officer, living in the colony of New South Wales in the early 1830s. Charmed by the attentions of a handsome stockman, the tempestuous ex-convict, Martin Cash, she flees her loveless marriage, abandoning her old life in search of adventure and any kind of happiness.

An elegantly wrought tale blending history with imagination, *From the Shadows* speaks to the modern world of inequality and insecurity, as well as the search for companionship and peace.

This is Gillian's first book, why not come along to learn about this intriguing novel and support our local writers?
