***THE TAWNY SASH* by A. J. LYNDON**

I have a long standing interest in history, particularly the English Civil Wars of the 17th century. In 2014 I started writing a novel about the “War Without an enemy” as it was described by an army commander in 1643. *The Welsh Linnet* was published in 2017. The sequel, *The Tawny Sash*, will be published on 30 May 2023.

My short stories have been published in a number of literary journals and anthologies.

Despite being Australian I keep in regular contact with historical experts in the UK who patiently answer questions on every aspect of 17th century life on and off the battlefield. I am married with two children and a very spoiled dog.
