The highly anticipated spin-off from *Five Bush Weddings* will have readers falling in love with footy, fashion and fabulous 1960s flashbacks.

Love Match beautifully and brilliantly combines contemporary and historical timelines, exploring the history of deb balls, country dances and the beauty pageants of the 1960s when Mabel shares her memories with Sarah. Ultimately, *Love Match* is a romantic comedy about finding your place in a small town and figuring out who you are.

We're looking forward to welcoming Clare to Ballarat, why not come along?

Staged in partnership with Collins Booksellers on Lydiard.
