NOVEMBER EVENTS

Feldenkrais Workshop

5:45pm-6:45pm Hooper Room

Life is movement. And how we move influences how we experience our lives. In an Awareness Through Movement lesson, we slow things down and explore gentle, comfortable movements with curiosity.

Stage Ready- Industry Pathways

6:30pm-9:00pm Minerva Room

Featuring Murray Johnstone from Arts Centre Melbourne and Justin Green from Collarts, (additional presenters TBC.) The evening will explore the different ways people enter and develop within the arts industry.

An Evening with Peter FitzSimons AM

6:00pm-7:30pm Minerva Room

Australia's bestselling non-fiction writer Peter FitzSimons AM will be in Ballarat to celebrate his latest book about George Mallory & Edmund Hillary.

Kadampa Meditation Series

7*:00pm-8:00pm Lending Library*

These classes offer simple, practical methods to improve the quality of our life and develop inner peace through meditation and Buddhist teachings.

Open Garden and Devonshire Tea

Nov 14th 10am, Nov 15th 4pm, Errard Hall

Raising much needed funds for the BMI, we're hosting a Devonshire tea at Errard Hall, built in 1902 in the grand Victorian style. It has big features, with an absolutely stunning garden to match.

Twilight Talk- Phil Roberts OAM and Guests

Nov 18th 5:30pm-6:30pm Humffray Room

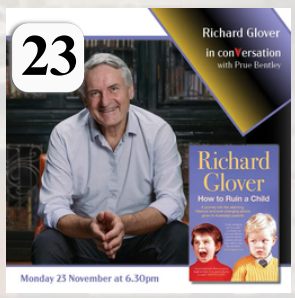

Dr Phil Roberts OAM speaks about his past years' work, researching and writing 'The Goldfields Gambit'. Phil shares the stage with 5 members of the Ballarat Chess Club, as he interviews Patrick Cook, Rodney Jacobs, Kevin Perrin, Peter Stickland and Anna Yates.

Kadampa Meditation Series

These classes offer simple, practical methods to improve the quality of our life and develop inner peace through meditation and Buddhist teachings.

In Conversation With Richard Glover

6:30*pm-8:00pm Humffray Room*

*W*ho better than Richard Glover to cast a probing but humorous eye over the army of experts who berated generations of Australian parents and shaped their children?

Twilight Talks- Understanding the Language of your Body

5:30*pm-6:30pm Humffray Room*

This presentation explores how ancient wisdom and modern science can help us better understand the body's signals and the factors that influence health and wellbeing.

Kadampa Meditation Series

7*:00pm-8:00pm Lending Library*

These classes offer simple, practical methods to improve the quality of our life and develop inner peace through meditation and Buddhist teachings.
